

Elegance meets efficiency

MASTER LED bulb

MASTER LED bulb delivers a glow effect for a welcoming, warm atmosphere, making it ideal for general lighting applications in the hospitality industry. Its unique design radiates warm light/cool daylight-like light all around, making it a true alternative to the incandescent lamp. It is particularly suited to public areas such as lobbies, corridors, stairwells, where the light is always on. Compatible with existing fixtures and designed for retrofit replacement incandescent bulbs, MASTER LED bulb delivers huge energy savings and minimizes maintenance cost without any compromise on light quality. Dimmable bulbs can be used together with most leading-edge dimmers, driving further efficiencies while helping to create the desired atmosphere. The product is free of mercury and other hazardous materials.

Benefits

- Glow effect – light all around
- Warm white: soft, warm light and elegant ambience
- Cool daylight-like light: for a bright, refreshing ambience

Features

- Over 80% energy saving
- Longer lifetime - lower maintenance cost
- Dimmable
- Retrofit and compatible with existing fixtures for easy installation
- Free of mercury and hazardous materials

Application

- Hotels, restaurants, bars, cafés
- Lobbies, corridors, stairwells
