

Ausloesesignalschalter schnappbar

Powering Business Worldwide™

Part no. ZP-NHK

Article no. 248437

Technical data ETIM 4.0

Rated voltage		V	250
Number of N/O			0
Number of N/C			0
Number of changeover contacts			2
Fitted as standard			No
Space unit			0.5
Rated switch current		A	4
Number of fault signal switches			0
Device mounting			universal
Control voltage type			AC
Additional equipment			Signal switch
Function			Earth leakage circuit breaker
Design of electrical connection			Screw connection
Number of contacts as N/C			0
Number of contacts as N/O			0
Number of changeover contacts			2
